CPP Daily Log 28 Aug

SGFIEND.

The SE representative with the National Committee for Free Albania in Rome reports that his British counterpart stated in the presence of the

Committee that London is not in agreement with our proposal for fortnightly leaflet drops over Albania. The British are willing to relax our agreement that drops should not be made more frequently than once every six weeks, but are afraid that "too many drops will be detrimental to the people within the country". [] 483, IN 13804, dtd 27 August.)
